most important leaflet
home to read in peace.

Issue #3 – 2020 07 01

NE PAS ÊTRE JUDICIAIRE
Mais s'il vous plaît n'hésitez pas de prendre
cette brochure la plus importante à lire
en paix.

“Genocideugenics” or “Genocide and Eugenics and the UN World Depopulation Agenda”

“Οὐδείς δύναται δυοῖς κυρίοις δουλεῖν· ἢ γὰρ τὸν ἓνα μισήσει καὶ τὸν ἕτερον ἀγαπήσει, ἢ ἐνὸς ἀνθέξεται καὶ τοῦ ἑτέρου καταφρονήσει· οὐ δύνασθε Θεῷ δουλεῖν καὶ μαμωνᾶ”
“No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon.”
Matthew 6.24 (KJV)

Oi, Hosers...

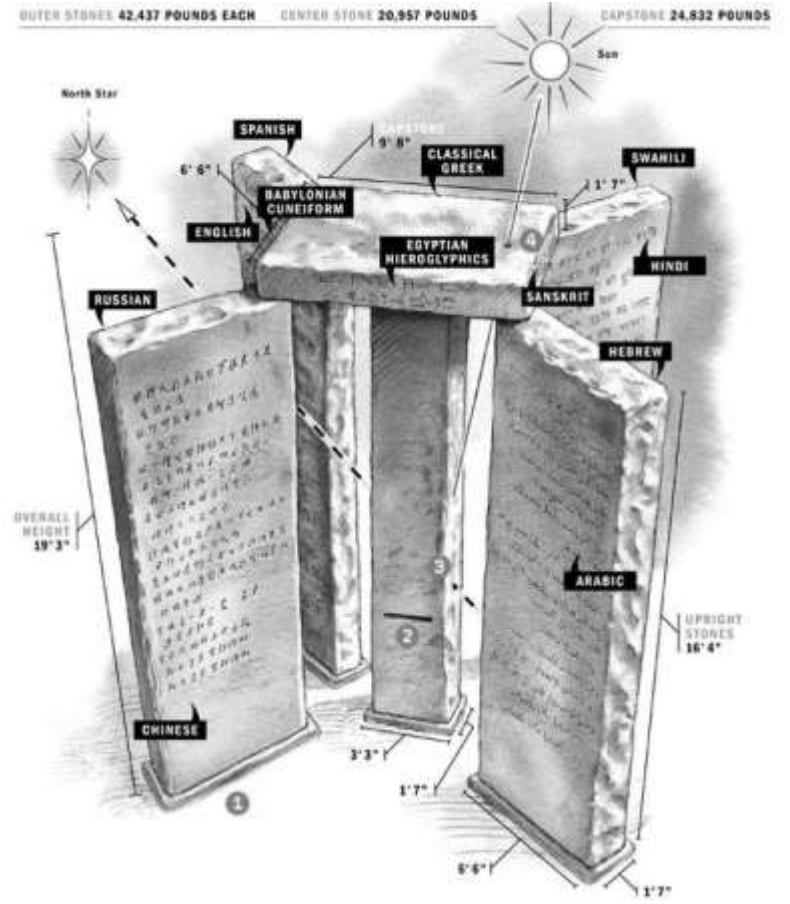

The Canadian Constitution Act of 1982 simply states in its preamble that “Canada is founded upon principles that recognize the supremacy of God and the rule of law” and commences in detailing the Canadian Charter of Rights and Freedoms which contains the basic rules about “natural persons” and “strawman entities,” such as the incorporated federal, and provincial and territorial governments in Canada. The Charter protects those basic rights and limited freedoms of a free and democratic country: For example, freedom of expression may be limited by laws against hate propaganda, namely degrading speech causing psychological injury or physical distress, or child pornography or propaganda advocating genocide. Everyone has freedom of conscience and religion, being guaranteed freedom of thought, belief, opinion and expression, including freedom of the press and other media of communication, and ensuring that every “natural person” and all “strawman entities” have equal standing and human dignity and are free to create and express their ideas. According to Section 319(1) of the Canadian Criminal Code it an offence to communicate expressions that bluntly malign in a public place or, by showing “willful blindness,” communicating statements other than in private conversation that publicly incite outright acts of violence and discrimination (i.e., hatred) against any identifiable group despite dissenting opinions.

It is the intended purpose of this communicaē to expose the atheistic criminality of those loathe bastards who promote surfeit odium against traditional families and the established Christian heritage of this once-great nation’s Anglo-French ancestors—the taproot of our Canadian Identity which hath been rooted in First Nation/Métis soil nigh unto five centuries, being watered on the sweat and blood and tears of no less than 14 generations of our colonial and pioneer ancestors.

All the evidence here-in critiqued is factual and true being duly researched and having been honestly compiled in accordance with the pursuit of unbiased truth in the hopes of sharing “The Unpopular Opinion of a Silent Majority” with thaim open-minded souls willing enough to accept incontrovertible articles of faith and the uncontestable credo of common sense—and to hell with thaim God-damned pinko heathens and hive-mind infidels of the lemming mob and criminal swine which actively promote revolting end-times degeneracy to usher us fair folk into the technocratic dark ages of novus ordo seclorum and the thinly-disguised violation of courtesy and civility by that wild gang of cyclopic woken somnambulists—those God-damned narcissistic blood-handed liars-in-denial who have devoted our children’s children to the fires of the New Age Moloch, incoherently babbling: “Let their blood be upon their own heads and the heads of their children.”

“Genocide, Eugenics & the Depopulation Agenda”

MONUMENTAL PRECISION

Built to survive the apocalypse, the Georgia Guidestones are not merely instructions for the future—the massive granite slabs also function as a clock, calendar, and compass.

- The monument sits at the highest point in Elbert County and is oriented to track the sun's east-west migration year-round.
- On an equinox or solstice, visitors who stand at the west side of the "mail slot" are positioned to see the sun rise on the horizon.
- An eye-level hole drilled into the center support stone allows stargazers on the south side to locate Polaris, the North Star.
- A 7/8-inch hole drilled through the capstone focuses a sunbeam on the center column and at noon pinpoints the day of the year.

The Illuminacist concept of **Population Control** *per se* according to R.C. Christian’s **Georgia Guidestones** and *the Kalgrian ideal Afro-Asiatic slave society* falls into two broad categories:

- Limiting the size of human societies and monitoring / controlling the movement of individuals within that society, *and*
- Intentionally reducing the bulk of the world’s population through **Genocide** via the introduction of *population slaughter* (i.e. immigration), *orchestrated conflicts* (like BlackLivesMatter riots), and *lethal bioengineered disease organisms* introduced via *vaccines* and other means of *external transmission* (such as AIDS and Ebola and the Wuhan Covid 19 Corona Virus).

Eugenics, more often called *human genetic engineering*, is a term coined in the latter part of the 19th century by Englishmen **Francis Galton** to describe the “science” of bettering human stock and the elimination of unwanted characteristics... and individuals. Cf. *Nazi Germany’s racially-based social policies* that placed the *biological improvement of the Aryan race* or *Germanic “Übermenschen”*: The “*Übermensch*” is a concept of *the ideal superior man of the future* who could rise above *conventional Christian morality* to create and impose his own values, originally described by philosopher **Friedrich Nietzsche** in “*Thus Spoke Zarathustra*” (1883). The *Jews have a centuries old narcissistic opinion of themselves* as “**The Chosen People**” (i.e., the Master Race).

This “**mass migration plan**” has been in the works for a long time, but our owners have kicking it up several serious notches now, flooding the borders of every Eurocentric nation with an endless swarm of Third World immigrants from a variety of cultures in direct opposition to our traditional heritage. Clearly staged U.S. / NATO / **Israeli-sponsored terrorism and genocide** are at work in the so-called “developing countries,” driving desperate people to seek asylum elsewhere. In particular, globalist fat-cat **Peter Sutherland**—one of Europe’s most influential figures and a former **UN Special Representative for International Migration** (2006-2017) and non-executive **Chairman of Goldman Sachs (GS.N)** (1995-2015)—a former World Trade Organization (WTO) director general, who was also a long-serving chief executive of oil giant **British Petroleum (BP.L)**, never mind him being a top **Bilderberger** and **Trilateral Commission** honcho, who outright stated “their” *world depopulationist plan* as plainly and arrogantly as possible.

The implementation of **United Nations Agenda 21** and other programs such as **Codex Alimentarius** have been eroding society’s fabric behind the scenes like *termites eating out our social infrastructure*. All whilst *bankster-backed globalists* mastermind the various *Cthulhulithic tentacles manipulating humanity* via their *multinational banking, quisling political and corporate stooges* on **Wall Street** and in **Silicon Valley**, and *lies* such as “*global warming*” and “*White populations require immigration to compensate for ageing populations.*”

Again, *the "divide and conquer" plan* has been in effect for quite some time, *breaking down borders and homogenizing weakened populaces in a deliberately devastated economy* which is being more *militarized* by the day—in *preparation for a societal breakdown*—despite the *pinko clamoring for the demonetization of municipal law enforcement* at the very time we need them the most to protect us from *the very chaos “they” are engineering*.

“The European Union should ‘do its best to undermine’ the ‘homogeneity’ of its member states, because ‘the future prosperity of many E.U. states depended on them becoming multicultural.’”

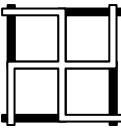

Peter Sutherland,
UN special representative for migration

This *rapidly unfolding development defies any sense of sovereignty*, as clearly intended. The *sense of insecurity and outrage is palpable in regular citizens* as *this unabated, uncontrolled onslaught continues*. While *besieged countries, of course, seek refuge from their economically and antisocial mob-bombarded societies*, as *western nations suffer from the bratty Gen Zers perpetrating attacks on traditional values and common sense*—being *crucified* on one hand, *publicly appalled* at the *Babelistic “invasion of foreign cultures and languages,”* and, on the other hand, helpless and either *unable* or *unwilling* to fight or to flee *our devastated homelands*, whilst *our neo-Bolshevik “hive-mind” offspring* tear apart everything *our ancestors suffered for us* to have and enjoy with the vile *Cultural Marxists* encouraging this very *phenomenonal malaise of execrable angst and perturbation...* so reminiscent of *Mao’s young revolutionaries’ Renovation of the People Study Society*.

Typically, *communist Freemasonry* plays both sides—the yea and the nay—against each other, which is simply how “they” work... and always have. And *the unwitting are caught up in a cognitive dissonant state of choosing either one side or the other*—either choice being detrimental to the well-being of our society, which shuts down *mental rationality* and *intuitive understanding* in most folk... if not all.

But what would you do in the face of seeing super powers contesting over your very soil and homeland while at the same time destroying it? wouldst you sit there with your loved ones simply observing and hoping for the best? or would you abandon everything that is (or was) yours—the inheritance promised you and yours as promised us by our grandparents... and their forefathers, whom they loved and honoured through the generations... throughout the centuries... throwing away everything we were and everything we shouldst quick become and flee like cowardly dogs with our collective tail tucked under and betwixt our legs for seemingly safer grounds? Like Moses wandering in the wilderness never to enter the beauteous “land between of promise.”

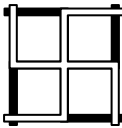

Fræx Phineas Levi, *palatin devoteo of Cyrice Triumpha*

Shemitah Year Events of the 20th Century

Of the phallicous uprising and quietus of perdurable empires

John 8.44 Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.

The **Biblical Year** isn’t based on the **Western Gregorian calendar** but on the **Hebrew Lunar calendar**: (*But, the same day in the Biblical calendar would fall on a different day in the Western calendar*). So the *seven year cycle* of the **Shemitah** (lit. meaning is “to release” and/or “to forgive all debts”) has to be based not on the Western year but on the Hebrew year... so no matter what date it is on the Western calendar, the Shemitah will always end on the 29th day of **Elul**¹ of the Hebrew calendar.

In 66 CE the *Jewish population rebelled* against the **Roman Empire**. Four years later, in August 70 CE, Roman legions under **Titus** retook and *destroyed much of Jerusalem and the Second Temple*. Temple ritual was replaced with prayer service in synagogues which built upon *Talmudic practices of Jews* in the **Diaspora** dating back to the *Babylonian exile*. The warning of **Christ Jesus** concerning “*the tradition of men*” that *voids Scripture* (Mark 7:1-13) is, *in fact*, a direct reference to the *corrosive delusions and racism of Orthodox and Hasidic Talmudic hate literature*: The **Talmud** specifically defines *all who are not Jews as non-human animals*.

The destruction of the second Holy Temple ushered in **Year One** of **The Shemitah Cycle**. In the Jewish calendar, this was the year 3829, or 68–69 CE on the *secular calendar*. Taking *every seven years* from that year, the last Shemitah year was the year 5775 (after “Creation”), which ran from 25 September 2014 through to 13 September 2015. The Shemitah year, the last year of *a seven-year cycle* in the Jewish calendar, waives all outstanding debts between Jewish debtors and creditors—and has *a global impact in many major industries*. Shemitah has several times in the past brought *immense financial hardships to the world*.

1917 marked the **fall of the Czar of Russia** and the **rise of the Communist State of the Soviet Union** as well as **America’s rise to power with the ending of World War I**.

The **fall the Austrian-Hungarian Empire** and the **fall of the Turkish-Ottoman Empire** *also* occurred in 1917.

In **1938**, Nazis pillaged the businesses of the Jews, whom hadst stabbed Germany in the back at the end of the Great War, and Jewish Synagogues were put to the torch on **Kristallnacht** (*Night of Broken Glass*).

In **1945**, **Nazi Germany wais defeated**—and the *Jewish bankster-mafia* by means of the American **Office of Strategic Services (OSS)** and Great Britain’s **Secret Intelligence Service (SIS)** facilitated the “*rat-line*” escape of many NSDAP elite—with the assistance of *anti-Semite Pope Pius XII*—in return for the “*heavy water*” and “*enriched uranium*” produced by the Nazis in Norway, which was used in the **Manhattan Project** making the *Atomic bombs dropped on Japan* thus ending World War II. Japan signed peace treaty the same week of the end of the Shemitah year.

The **United States** became a *military super power* and the **U.S. dollar** became the *world standard currency* making ZOG America the richest country in the world, and the world’s largest lender nation.

In **1973**, the **United States Supreme Court** declared *that Americans could kill their unborn babies viz. “abortion* was legalized.”

This was the same year that the **World Trade Center (Twin Towers)** wais completed—which is *a symbol of America’s economic strength*.

1973 was the year that **Henry Kissinger** orchestrated America’s loss of its first war to **Vietnam**. Moreover, **Nixon** took *America off the gold standard* and this set in motion *the decline of the U.S. dollar*.

In **1980**, the **U.S. Supreme Court** banned the **Ten Commandments** in **Public Schools**—and God was thus now completely banned from our public schools in America.

The biggest **Wall Street crash of 1987** happened during Shemitah and so did the *bond market carnage of 1994*.

The **777-point fall in Dow Jones** in **2008** *also* happed around Shemitah, which crashed on September 29th.

The **2001 9/11 terror attack** happened *a day after Shemitah*...and the *World Trade Center buildings* (the symbols of America’s economic strength) were “*aborted*” by “an Islamic terrorist attack.” One week later Wall Street had one of its greatest collapses on the last day of the Jewish Shemitah Year.

In **2008**, exactly seven years later, **Wall Street** suffers its *largest decline*. America was now the world's largest debtor nation.

In September **2014**, the Shemitah year happened in connection with a **Tetrad of Four Blood Moons** which *all* occurred on Jewish feast days. The United States turned away from God and endorsed many sins, it is very possible that *God’s judgment fell on America* during this year of the Shemitah.

The last “**Shemitah**” or “**Biblical Sabbatical Year**” ran from: 25 September 2014 until 13 September 2015.

To recap: The **Shemitah Year** is the *seventh year of the seven-year agricultural cycle* mandated by the Torah for the Land of Israel and still observed in contemporary Judaism. When Moses received the Levitical law, God gave the commandment to **rest on the seventh day... the Sabbath**. Moses *also* applied the cycles of “seven” to weeks and years. A cycle of seven weeks points

to the 50th day, called **Pentecost**—and a cycle of seven sets of seven years points to the 50th year, the year of **Jubilee**.

The year following the *seventh Shemitah year* is *a Jubilee year* viz. a Shemitah of Shemitahs: (7 x 7 = 49 years in the Shemitah cycle period), thus becoming the **50th year**. The Jubilee year is *also* the first year of the new cycle thus keeping the 49 year cycle going.

Jubilee Years are important for **Zionist Jews**. The last two **Jubilee Years** have been important in the establishment of the **State of Israel**. During **World War I**, Great Britain seized control of Palestine from the Ottoman Empire. In 1917, following the "**Great War**," **Lord Balfour** wrote the **Balfour Declaration** to **Lord Rothschild** which set in motion *turning over Palestine to the Jews*. The year of the Jubilee saw the foundations laid for the establishment of the state of Israel; *however*, this did not happen until after the **Second World War**. In May 1948 Britain formally turned the Arab land of the **Palestine Mandate** over to the Zionist Jews thus establishing the State of Israel.

In **September 2015** we started a new Jubilee year with *a partial solar eclipse*. It is of special note that this was the 40th Jubilee year since Jesus was crucified in Jerusalem. It was *also the 70th Jubilee year since the first one was proclaimed by God*. The number 40 is the Biblical time period of redemption. The number 70 has the Biblical meaning of perfect completion. So this Jubilee Year had a very special meaning for the financial rulers of mankind: “Perfect completion of perfect redemption.”

Be prepared... and be right with God.

The Calm before the Storm

In September 2015 the world saw the **last Tetrad of four Blood Moons**. The four Blood Moons were *the final warning signs from God*. Many people believed *that* the Blood Moons signaled *the beginning of end-times events*.

The stock market did drop 2500 points from its high in mid May to its low the third week in August. This was greater then the 2008 crash of 777 points. In fact, a number of financial experts were saying the markets could drop as much as 60% making it a greater crash then the 1929 crash. More-so, there was a banking crisis around the world as countries were printing money at alarming rates. This has never happened before in world history... and history shows us *that “when a country attempts to print its way out of debt, the country fails and collapses.”*

The Samson Option

The **Khazarean Mafiosa** has planted 25+ *nukes in major American cities* and other *major cities in Europe* which (((they))) *to blackmail the associated ZOG politico-slaves*. This is referred to as (((their))) “**Samson Option**”—*and the conspiracy was first discovered and disclosed* by Jewish investigative journalist **Seymour Hersh**, in Washington (D.C.).

And who really presents *the biggest nuclear threat to the world?* **Iran?** a member of the *nuclear non-proliferation treaty* who cooperates with the **International Atomic Energy Agency?** or **Israel?** which refuses to sign the treaty and refuses to even admit they have nukes?

Let's consider *the nuclear weaponry Israel's is believed to have*—up to **400 atomic and hydration nukes**... including *thermonuclear weapons in the megaton range*; a range of systems, including *neutron bombs, tactical nukes* and *suitcase nukes*; *delivery mechanisms*, including **Jericho** intercontinental ballistic missiles with a range of eleven-and-a-half-thousand kilometers, and *offshore second strike capabilities* using *submarine-launched nuclear-capable cruise missiles*.

Whilst Iran has consistently denied developing nukes... Israel has repeatedly threatened the world with theirs. Israel operates a strategy known as the **Samson Option**—a policy in which *any threat to Israel will be responded to with massive nuclear retaliation*. **Samson** is the *biblical figure* who *destroyed a Philistine temple killing himself and thousands his Philistine enemies*. An Israeli official is quoted in Seymour Hersh's book “*The Samson Option: Israel’s Nuclear Arsenal and American Foreign Policy*” (1991) as declaring: “We can still remember the smell Auschwitz and Treblinka. Next time, we will take all of you with us.” [*But the reality of the Holohoax is exaggerated—the whitewashed truth veiled in a carefully constructed and deliberately preserved lie—and Revisionists are persecuted without mercy*].

Israeli war criminal General Moshe Dayan, a leading promoter of Israel’s nuclear program, stated: “‘Israel must be like a mad dog! too dangerous to bother.” **Martin Levi van Creveld**, a professor of history at the Hebrew University, in Jerusalem, said: “Most European capitals are targets for our air force... we have the capability to take the world down with us... and I can assure you that that will happen before Israel goes under.” Notwithstanding, *Israeli whistle-blowers* allege *that Israel blackmails the world with its ability to bombard any city all over the world—and not only those in Europe—but also those in the United States* (and, subsequently, in Canada, as well).

Israel’s threats to preemptively attack other countries have increased since Iran began enriching uranium for its nuclear energy program. Whilst it is unlikely that Israel seriously believes Iran would attack it—Iran knows that it would likely be obliterated if it dared to attack Israel with any form of weaponry. Israel cannot tolerate the possibility of a nuclear-armed Iran. Any challenge to *Israel’s nuclear hegemony* could weaken its ability to use the nuclear threats in order to hold onto *stolen Palestinian land*. A nuclear-armed Iran might see Israeli citizens leave the country and its occupied territories. Investment could decline, reducing the finance’s needed to fund and maintain *Israel’s illegitimate expansion*.

Israel's large stockpile of nuclear weapons—and the fact that many high-profile Israelis have declared *that* the country is quite prepared to use them if threatened should be of great concern to everyone. Israel and their *war-mongering neo-con and Zionist allies* in the *U.S. military-industrial complex* pose a much greater threat to world peace then Iran.

¹ **Elul** is the 12th and final month of the **Jewish calendar**, usually occurring in *August–September* on the **Gregorian calendar**. The Jewish calendar has *a 19-year “cycle”* in which “*leap months*” are added in years 3, 6, 8, 11, 14, 17 and 19 in order to keep the *Jewish lunar calendar* (having only 354 days) in sync with the *solar calendar* (having 365 days). According to Jewish tradition, during the month of Elul, **Moses** spent time on **Mount Sinai** preparing *the second set of Tablets* after *the incident of the Golden Calf*. The day after Moses’ descent from Mount Sinai on **Yom Kippur**, his father-in-law **Jethro** encountered him attempting to single-handedly judge the Jewish nation. **Yom Kippur** is *the holiest day of the Jewish year*. It's the **Day of Atonement** after the **Jewish New Year, Rosh Hashanah**—which commemorates “*the creation of the world*.” On this day, Jews ask God for forgiveness for their sins to secure their fate. It's also known as the **Sabbath of Sabbaths**.
